## PLAYERS ETIQUETTE

Southbank takes great pride in its club and as members we are reminded that while playing for the club are asked to remember good court etiquette.

Although good tennis etiquette won't give you a bigger serve or a more accurate backhand but it will make you more fun to share a court with.

**WAIT YOUR TURN:** When your turn comes, let the people before you to finish the game they are playing before taking over the court.

**DECISIONS:** The person who wins the toss may choose to serve, receive, pick which end of the court they would like or even make their opponent choose.

**WARM-UPS:** Keep to a 5 min pre-match warm-up.

**GOT TWO?** Make sure the server always has two balls at their end of the court. When feeding balls up the court, hit or roll them gently within reach of the server.

**SERVE THE RIGHT WAY:** Before you serve, make sure your opponent is ready to receive.

**NO RETURN NECESSARY:** If your opponent serves a first-serve fault, don't hit a return back unless the call was so close that you had no option but to hit the ball.

**WALK WITH CARE:** Don't walk behind another court during a point, or interrupt a point on another court to retrieve a ball.

**IN OR OUT?** Make line calls clearly and promptly and give your opponent the benefit of the doubt if you're unsure. While it's rude to question your opponent's line calls, if you really think you are being diddled ask once, firmly: "are you sure?" then move on.

**SCORING MADE EASY:** If you are serving, call the score out loudly and clearly. It will help to minimise disagreements.

**A TIME AND A PLACE:** Be respectful of your opponent. While it's fine to celebrate your successes it's not polite to pump your fists, hiss "yes" or high-five spectators when your opponent makes an error.

**DO THE RIGHT THING:** Apologise if you win a lucky point or if you accidentally hit your opponent with a ball.

**FOCUS ON YOUR MATCH:** Keep your attention on the court – don't chat to spectators, interrupt a game to answer your mobile phone or do anything else that might distract your opponent or delay play.

**LEAVE THE TANTRUMS TO THE KIDS:** Don't have a tantrum if things aren't going your way, shout out or use curse / inappropriate language while on the court.

**CONGRATULATIONS:** Shake hands firmly and congratulate your opponent at the end of the match.
